2 105 Kč / PACK

## Forged boning knife

This forged knife manufactured by the German company Dick is a high-quality product. Our butchers use Dick knives for cutting meat.

2 235 Kč / PACK

## Red Spirit paring knife

Inspired by the blade-making traditions of Japan, this knife manufactured by the German company Dick is very sharp, because it has a thinly-bevelled blade. Owing to the feature, ingredients are not crushed while being cut. Our butchers use Dick knives for cutting meat.

995 Kč / PACK
